### TO WHOM IT MAY CONCERN

It is with much enthusiasm that I am writing to recommend the services of Hutech International.

We have been using Hutech International for the past six year in providing a hospitality service to The Dunes at Arniston a business entity of Denel OTR and have always been completely satisfied with their performance. They do an excellent job, are always punctual, and offer the most competitive rates in town.

They have been reasonably priced, and always do exactly what we ask of them.

I'm happy to recommend the services of Hutech International. If you have any questions, please feel free to contact me.

Sincerely,

Good day,

Hutech International Group has been supplying Airlink with Aviation contractors since March 2014. The quality of personnel that they supply is of high standard in the industry and Airlink are very satisfied with their services.

We currently still have contractors from Hutech International Group and will continue with the relationship between Airlink and Hutech International Group for the future when the need arise for manpower.
